

How To Navigate The Presentation

Once the presentation starts, this Teligent Control Panel will appear in the middle of the presentation slides. **To minimize the Control Panel** click on the minimize button on the top right-hand corner of the Control Panel.

Once the Control Panel is minimized, this is what you will see it at the top left-hand corner of your screen:

To maximize the Control Panel again, just click anywhere on the presentation slide.

To view an individual slide, click on the gray tab on the left-hand side of the screen. When you click on a slide the audio for that slide will play.
